To All Members of the Roofing Metal Heating Associates (RMHA), Area Roofing Contractors, Roofing Material Distributors, or Manufacturer Representatives of Roofing Materials:

The RMHA is starting a program to forward electronic pictures of custom and local roofing system installations via email.

The RMHA hopes the Picture Reports will provide visual information to help all roofing industry professionals learn about unique projects and how other roofing professionals approach roofing system installations. Furthermore, we invite you to share these photos with others in the roofing industry who may find them informative.

There are no charges to receive the pictures, and you don't have to be a member; however, whether you are a roofing contractor, material distributor, or a manufacturer's representative, we hope you may consider membership in the future.

We also hope that area Roofing Contractors, Distributors, or Company Representatives will submit photos of roofing system installations to share with others within the local roofing industry.

If you are interested in receiving the Picture Reports, contact me via email or call my cell phone

What else is there?

Roof Surveys and Informational Services

Recently, I have written about Joe Karis and his dedication to the Roofing Metal and Heating Associates (RMHA).

For those who may be new to our mailing list, let me list just a few things;
1) Owner of Karis Roofing with his famous advertisement “We put your grandma’s roof on”.
2) Passed away July 2, 2025, nine days short of his 99th birthday.
3) Past Member, Director, Treasurer, and President of the RMHA.

So, what else can I say about Joe?

How about this story from Mike Donnelly of Donnelly Roofing?

Many years ago, a questionnaire was sent to RMHA members: “What would you be if you were not a roofing contractor?”

Joe’s simple answer: “What else is there”?

Dear Phila. Roofers Assoc. & all of our Members: Thank you for the cheerful birthday card and the generous gift. As I am very frugal with Association money, it is too much! But, thank you all. It will be well used by
Mrs. Karis and myself.

The “Fountain of Youth” is all in the mind. Think young, work young, and you to will be able to climb a 60 foot ladder at 80 years young.

Love you all,
Joe Karis

Joe Karis at age 11 — Learning the trade while working with his dad. As he likes to say...“the picture that sold a 1000 roof jobs.”
